COMPANY

From a family tradition to a brand present throughout Brazil. Founded in 2018, Tempero do Tonho was born from a family recipe carefully preserved over generations. What began as a artisanal activity, developed by Antônio's father to gift friends and family, quickly showed its potential to become a business based on quality, practicality, and authentic flavor.

Over the years, Tempero do Tonho has consolidated its journey based on quality, respect for artisanal recipes, and the continuous pursuit of improvement. What began as a family tradition has become a recognized brand, bringing flavor, trust, and authenticity to consumers' tables across Brazil.

PRODUCTS

Complete Seasoning, Ju Pepper, Grill Salt with Herb Blend, Ready-to-Use Seasoning.

Complete Seasoning
A balanced combination of sea salt, fresh garlic, oregano, saffron, and nutmeg, developed to bring practicality and flavor to various preparations. Versatile and aromatic, it pairs well with everyday recipes and special barbecues, enhancing salads, meats, vegetables, and various dishes.

Ju Pepper
Exclusive blend of ground cayenne and calabrian peppers, enriched with a touch of garlic powder. With mild to moderate heat, it offers flavor and personality to recipes without masking ingredients, making it ideal for those seeking a balance between intensity and versatility.

Grill Salt with Herb Blend
Made with grill salt and a selection of 12 carefully chosen herbs, this seasoning was created to enhance the flavor of meats in any preparation. Its aromatic profile provides a special touch to beef cuts, poultry, pork, and barbecues, elevating the gastronomic experience.

Ready-to-Use Seasoning
The perfect combination of salt, garlic, and onion to make meal preparation more practical and flavorful. Ideal for daily use, it offers authentic homemade flavor with the convenience that routine demands, without compromising ingredient quality.

DETAILS ON PRODUCTION CAPACITY, SEASONALITY AND OTHER CHARACTERISTICS:

Inspired by a family history, Tempero do Tonho develops its own recipes with natural ingredients and no chemical preservatives. In 2021, it expanded its reach to serve supermarket chains, consolidating itself as a brand of quality and trust.
