FRUIT AND VEGETABLES

COMPANY

Canto da Floresta Hortifruti, located in Itaberaba, Bahia, stands out in the production and commercialization of pineapple, bringing quality, flavor, and excellence to consumer markets. With a focus on serving large supermarket chains, the company prioritizes fruit selection, standardization, and commitment to retail requirements.

Valuing the region's agricultural potential, Canto da Floresta connects producers, distributors, and consumers, strengthening Bahia's agribusiness. Its purpose is to consolidate itself as a benchmark in the pineapple market, offering differentiated products, building lasting commercial partnerships, and bringing the best of Bahia's production to all of Brazil.

PRODUCTS

NCM 0804.30.00

The Canto da Floresta Premium Pineapple represents the quality and excellence of Bahian agricultural production. Grown in Itaberaba, Bahia, a region recognized for its tradition and the importance of pineapple cultivation, the product is the result of dedicated work in cultivation and careful fruit selection. It stands out for its attractive appearance, sweetness, and quality standard, characteristics that add value to the product and meet consumer expectations and the demands of large supermarket chains. Canto da Floresta seeks to value every stage of production, from the field to commercialization, offering fruits that combine flavor, quality, and trust.

In addition to premium pineapple, the company also works with a variety of fresh fruits, including mango (NCM 0804.50.20), melon (NCM 0807.19.00), grape (NCM 0806.10.00), and avocado (NCM 0804.40.00), expanding its portfolio to meet different demands of the national market and strengthen its presence in the fruit sector. With a focus on product quality, commercial expansion, and valuing Brazilian production, Canto da Floresta aims to conquer new markets and strengthen its role in national agribusiness.

DETAILS ON PRODUCTION CAPACITY, SEASONALITY AND OTHER CHARACTERISTICS:
