

COMPANY

Founded in 1941, Café Ouro is one of the traditional brands in the Brazilian coffee market. Headquartered in Ibirama, Santa Catarina, the company underwent a restructuring and modernization process starting in 2006, expanding its operations in the retail market.

Its purpose is to offer high-quality coffees, produced with selected beans and modern industrial processes, serving consumers throughout Brazil. Throughout its history, it has consolidated itself through the quality of its products and its commitment to excellence in the consumer experience.

PRODUCTS

Café Ouro is a traditional Brazilian company dedicated to the production of high-quality coffees, made from carefully selected beans and subjected to modern roasting processes. With over 80 years of history, the brand has built a solid reputation based on excellence, product standardization, and commitment to consumer satisfaction.

Combining tradition and technology, Café Ouro offers products with a distinctive aroma, balanced flavor, and consistent quality, catering to different market segments. Its differentiators include the meticulous selection of raw materials, rigorous quality control at all production stages, and an excellent relationship between quality and cost-effectiveness, making the brand a benchmark for retailers, distributors, and consumers throughout Brazil.
