

## COMPANY

Dê is passionate about healthy cooking and experimenting with new flavor combinations. Adopting a relaxed lifestyle, she maintains a balanced diet and prioritizes the consumption of natural products. Cheerful, creative, and full of energy, she finds the perfect balance for her daily life in sports and a good diet.

Among her favorite foods is granola, which is present in her daily meals. Frequent consumption sparked her curiosity about how the granolas she bought were produced, leading her to decide to create her own recipe. After many attempts, she achieved the ideal texture and crispness, free of refined sugars and preservatives. That's how he started producing on a larger scale and sharing his product with other people.

## PRODUCTS

Our products are crunchy, healthy, and delicious granolas, made with selected raw materials and high-quality ingredients. Each recipe is developed with care and attention to detail, maintaining a balance between nutrition and enjoyment. The key difference in our granolas lies in the generous amount of nuts and seeds, which guarantee texture, crunchiness, and a distinctive flavor, making them perfect for those seeking a balanced and natural diet.

Currently, we produce three exclusive versions: the traditional one, naturally sweetened with honey and unrefined cane sugar; the savory one, with the aromatic touch of basil pesto; and the seed mix, seasoned with sugar-free date jam, a low-carb and extremely nutritious option.

Today we are in several supermarket chains in Brasília: Malunga, Big Box, Dona, Bella Via, Casa Rocca supermarkets, Empório Prime and Mercaria Colaborativa, in Goiânia we are in the Empório Prime and Rio Vermelho chains in Anápolis and Campeão Supermarket in Alexânia.
