COMPANY

Founded in Serra da Canastra, Minas Gerais, GA Food Wholesaler was born with the aim of bringing high-quality specialty coffees to demanding customers. Since its creation, the company has been dedicated to selecting, roasting and supplying 100% Arabica beans, as well as offering private label solutions for brands wishing to create their own lines of coffees.

Operating in the national and international markets, GA Food Wholesaler combines tradition, expertise and innovation, guaranteeing premium products that reflect the region's terroir and serve companies that value authentic flavor, consistency and excellence in every cup.

PRODUCTS

GA Food Wholesaler is dedicated to offering 100% Arabica specialty coffees, grown at high altitudes in the Serra da Canastra, a region recognized for the exceptional quality of its beans. The result is coffees with an intense aroma, full-bodied flavor and low acidity, which delight demanding consumers.

The company also offers complete private label solutions, enabling brands to develop their own coffee lines with personalized roasting, exclusive blends and customized packaging.

The big difference lies in the rigorous selection of the grains, the quality control at every stage and the expertise in creating premium blends, combining regional tradition with innovation.

Operating in the national and international markets, GA Food Wholesaler delivers consistent, authentic products of a superior standard, capable of adding value to brands and providing unique experiences in every cup.
