

PECAN NUT

COMPANY

The company was founded more than 50 years ago in Rio grande do Sul, with extensive experience in the production of pecan nuts. With the biggest South American pecan orchard, we are able to supply our customers all year round with our nuts always with quality and excellent service. We are focused on expanding our presence in the foreign market.

For us, eating well is feeding with the best thing there is: real food. And it is real food what Pecanita does for you, of course, here on the farm.

PRODUCTS

We have a wide range of pecan nuts and all their presentations, as in natura with shell, shelled, and various pieces. We also introduce spiced nuts to better serve the food service market. Our focus is to understand customer needs and better serve you with high-quality products.

Outstanding products in quality and sophistication. It meets the main international demands of healthiness. Great appeal to food service, as a key product in nuts and chestnuts. Seasonality reversed with the world's leading producers in the northern hemisphere.
