TPJ Café is a company specializing in the marketing and export of raw coffee beans, providing excellent service to industries, roasters and international partners. With a consolidated structure and a permanent focus on quality, traceability and logistical efficiency, the company offers a wide variety of coffee profiles, adjusted to the technical and sensory specifications of each market. With a strategic presence on the national and global stage, TPJ Café stands out for its regularity of supply, operational capacity and solid commercial relations, contributing directly to strengthening the Brazilian coffee production chain and the socio-economic development of the producing regions.

High capacity and reliability: Recognized as one of Brazil's largest exporters, TPJ Café ensures volume, consistency and precisely planned deliveries, maintaining a high standard of safety and punctuality.

Distinctive origin and quality: The company maintains a direct relationship with producers in Caparaó and on the MG-ES border, guaranteeing complete traceability, careful selection and high quality lots that meet the demands of the most competitive markets.

Certifications and international standards: With robust processes and strict compliance, TPJ Café has certifications such as Rainforest Alliance, reinforcing its commitment to sustainability, social and environmental responsibility and stable quality for customers around the world.
