

TROPICOOOL

**NOT FROZEN
FRUIT
PULP**

COMPANY

Tropicool brings the flavors of healthy superfruits directly from Brazilian lands.

We are in 5 Countries (Australia, Brazil, Mexico, Arab Emirates and Qatar), with more than 50 sales points.

Tropicool is the first brand to develop a fully aseptic organic acai (certified), guaranteed flavor, nutritional properties, high quality, food safety and operation optimization (fast service with total product control and waste reduction).
