

COMPANY

Azeite Vila do Segredo, located in Caçapava do Sul (RS), is dedicated to the production of premium extra virgin olive oils. We cultivate our own olive groves and combine technology, quality, and sustainability to offer excellent products, valuing Brazilian olive growing and highlighting the authenticity, freshness, and origin of our oils.

The Olivais Vila do Segredo project also represents a family legacy. Working with the olive tree, a millennial tree and symbol of tradition, reinforces our commitment to future generations, promoting sustainable production and contributing to a better quality of life through healthy and high-quality food.

PRODUCTS

NCM 1509.20.00

Produced in our own olive grove, Azeite Vila do Segredo is a premium extra virgin olive oil made from carefully selected olives, hand-picked at the ideal point of ripeness. Cold extraction preserves the aromas, flavors, and natural properties of the fruit, resulting in a low-acidity oil with a balanced sensory profile and high

quality.

With fresh notes and distinctive characteristics, it is ideal for pairing with salads, pasta, meats, breads, and gastronomic finishes, adding flavor and sophistication to the most diverse preparations. The product has complete traceability, from cultivation to bottling, ensuring authenticity, safety, and Brazilian origin.

Recognized with the Premium Products Origin and Quality RS seal, an official certification from the Government of Rio Grande do Sul and Ibraoliva, the oil meets rigorous quality criteria, proving its excellence and reinforcing the brand's commitment to producing high-standard extra virgin olive oils.

DETAILS ON PRODUCTION CAPACITY, SEASONALITY AND OTHER CHARACTERISTICS:

Azeite Vila do Segredo has the structure to serve small, medium, and large clients in both national and international markets. We have our own production, manual harvesting, quality control at all stages, and flexibility to supply different volumes and packaging, serving retail, distributors, supermarket chains, and private label projects.
