PRODUCTS

The **coffee jelly from Artesanu** is an innovative and differentiated product, with a striking and sharp coffee taste. Designed to reach people who appreciate coffee and with an unusual jelly shape.

Organic Chocolates: a rich product marketed by Artesanu - organic vegan kosher chocolate - fantastic taste. This chocolate originates in regions of Brazil where biodiversity is very present, that is, where, according to experts, the best cocoa in the world is produced.

Special Chocolates: 70% chocolate bar with caramel filling The perfect chocolate combines the high content of cocoa (70%) and caramel, filling the mouth with a lot of flavors. The recipe for this caramel has French origin, all well combined and developed in the company. Its ingredients are carefully selected and have no vegetable fats addition.

Dehydrated fruits: Organic dehydrated bananas. The products consist basically of fruits. The main muse is the banana. Natural version and with cinnamon, both are organic, BR (Brazil) certification.
