## COMPANY

Xamego Bom is a food company that has been dedicated since 1957 to manufacturing more than just products: We provide solutions for bakeries, ice cream parlors, food service, retail and cash & carry. We are FSSC 22000 certified, which covers both ISO and ISO-TS protocols.

This certification attests to the safety and quality of our products and just how seriously we handle each stage of our production process, from the acquisition of the raw material to the final product.

## PRODUCTS

NCM 1901.90.20

Our products have a high content of "in natura" milk, ensuring superior quality and distinct prominence in the baking and pastry market.

Created to satisfy even the most demanding tastes, our carefully selected raw materials produce a unique and special product, with all the flavor and tradition that an authentic Doce de Leite needs to have. Our distribution system allows our products to be efficiently and safely available throughout Brazil.
