## PRODUCTS

Khanna products are plant-based (containing only ingredients of plant origin), produced in gluten-free facilities, free from colorants and preservatives, offering consumers a unique experience that combines quality and taste.

### **Cachaça with Rapadura and Cachaça with Rapadura and Lemon** NCM: 2008.90.00

A unique, tasty, aromatic and versatile mixed drink, it can be enjoyed chilled or natural and is perfect for making a variety of cocktails. In cooking, it enhances dishes, sauces and desserts.

The lemon version combines the softness of a velvety drink with citrus freshness, perfect for enjoying memorable moments.

### **Biquinho Pepper and Red Onion with Chipotle Pepper** NCM: 2005.99.00

They are confit in olive oil, made with fresh ingredients, cachaça and cane molasses, providing a balance between sweetness and acidity. They can be enjoyed with a variety of meals and are a great choice to accompany proteins, salads, cheeses or as a snack.

### **Paçoca Sweetened with Rapadura NCM: 2007.99.00**

The first in Brazil made with rapadura, composed of just three ingredients, totally natural, ideal for snacks, dessert or at any time of the day.

### **Goiabada Cascão and Bananada Sweetened with Rapadura NCM: 2007.99.00**

The sweets are an explosion of flavors, made with fresh fruit, a touch of rapadura and no preservatives. The fruit ripens naturally and is chosen with care. These delicacies are irresistible and perfect for enjoying at any time of the day.
