

COFFEE

COMPANY

We are a company that offers high-quality coffees to coffee lovers. We also operate in the coffee market as a coffee shop, offering filtered coffee, espresso, cappuccinos, ice cream and workshops on the coffee production chain. We offer our clients a personalized sensory experience. Our company is certified for excellence in customer service.

We've been in the coffee business for over 30 years. In the last year, we have won a certificate of excellence in customer service and we are focused on satisfying every coffee lover. Dayara Soares is the company's barista and I also make the blends, the roasting and the menu.

We are a company that exists through family farming. Our coffees are produced in Caratinga, Minas Gerais, in the Matas de Minas region.

We have been producing since the 1980s. We produce the yellow and red Catuaí arabica variety, natural cherry. Our coffee has its own sweetness and notes reminiscent of caramel cocoa. Also, our coffee has scored 85pts in recent years. We dream of exporting through knowledge and certifications. We'll make it!

We'll continue here with a great desire to learn

Scores of 84 and 85 points
