

COFFEE

COMPANY

We are the 3 Corações Group, the leading Brazilian coffee brand and most sought after in Brazil.

Market leader in several categories in which we operate, our portfolio includes classic roasted & ground coffees, soluble coffees, gourmets, specialty coffees 100% arabica, as well as a complete line of delicious cappuccinos and chocolate.

We are more than 6,500 employees committed to deliver the best coffee to your table. We have 9 industrial plants and 2 Green Coffee processing units.

PRODUCTS

Our proposal is to deliver pleasure experiences that promote joy, well-being, create lasting ties and generate value for all audiences related to our business.

That said, we have established a joint venture with Positive Brands to deliver more products driven by authenticity, innovation, nutritional delivery, simple ingredients and positive impact with a broad portfolio of plant-based beverages and foods that stand out nationally with the brands such as A Tal da Castanha and Jungle.
