

JUICES AND PRESERVES  
**FROM FRUITS**

## COMPANY

In 2021, Don Bruno Polpas de Frutas won first place in an outstanding national pulp competition, promoted by a renowned Children's Food company in São Paulo.

The following year, it stood out in partnership with SEBRAE in the ALI RURAL Program, being recognized as the state's TOP 10 and featured on Band's AGRO Mais program.

In 2023, the company achieved international prominence by being selected among the 30 companies in the state to take part in the NRA SHOW in the USA, the largest food fair in the Americas. These successes reflect Don Bruno Polpas de Frutas' dedication to quality standards and innovation.

## PRODUCTS

**NCM 2008.99.00**

We've been supplying you with natural fruit pulp for 10 years! Here at Don Bruno we work from planting to pulp preparation, these are processes that guarantee purer products and a better quality of life for our costumers.

They are natural pulps without the use of preservatives and with the pure taste of the fruit!

With the very clear purpose of bringing the true taste of the fruit and making it a memorable experience to taste the fruit at its ideal point of ripeness.

100% natural frozen fruit pulp, top quality gourmet line, free of preservatives, flavorings, stabilizers, acidulants, gluten-free, non-alcoholic, non-fermented and containing no added water.

**Appreciate every  
detail, because  
it was made with  
a lot of love**
