

COMPANY

Sustainable Banking
Sustainable Investment and
Entrepreneurship: From Intention to Action for
Wellness Science.
Greater demand from Institutions,
Collectivities and Individuals, and the
consequent solution to be promoted through
effective Sustainable Marketing, overlapping
the widely disseminated practice of
Sustainable - Washing!

For over 17 years, we have structured and
participated in strategic countries on several
continents - Brazil, China, United Kingdom,
USA, Germany, France, Switzerland, United
Arab Emirates, among others:

- >> Trade missions;
- >> Local Partnerships;
- >> "In loco" market studies;
- >> Attracting investors, enterprises, buyers and
sellers in person.

PRODUCTS

Some of our developments are related to:

- >> Agri-Foods;
- >> Artisanal and traditional food and beverages;
- >> Healthy, natural, organic and vegan food and beverages;
- >> Sustainable products, processes and enterprises;

- >> Experiencing traditions and customs;
- >> National, regional and local art.

For the implementation of these ventures, we offer legal, market, product and
partnership consulting & feasibility for:

- >> Export;
- >> Internationalization;
- >> Investment Attraction.

Our global immersion background is extensive in local experiences and research in:

Brazil (Whole country), USA (New York, Miami); Mexico (South); Italy (Rome, Parma);
Philippines (Manila); China (Beijing); France (Paris, South); Spain (Galicia); Portugal
(Porto, Lisbon, Algarve, especially Quinta do Lago);
United Kingdom (London); Germany (Munich); Austria (Vienna); Monaco;
Switzerland (Zurich, Geneva); United Arab Emirates (Abu Dhabi, Dubai).
