COMPANY

With the courage to innovate in solutions and food ingredients, Daus Company has been operating for almost 20 years in the market and has become a reference in the commerce of multipurpose dairy drinks indicated for express ice cream (soft) in the fast-food segment, pasta ice cream and popsicles, and creams in the confectionery and bakery segment. In addition to line products, Daus has the will and courage to get out of the obvious.

Innovation is vital to go beyond – we are always looking for the best solution for each client, in the right measure for each business.
