

COMPANY

Entering the market in 2021, with a specialized team passionate about real acai. That's why we went to Pará, the state that dominates the acai production chain in Brazil, to find the highest quality raw materials to produce a distinctive product.

We seek to expand our production of excellence with a premium product, and provide quality and a unique experience.

PRODUCTS

The pulps we make are made from carefully selected fruit from only the best certified producers. This ensures that we maintain our consistent high quality throughout the year.

Our Sorbet is the perfect combination of creaminess, flavor and freshness. Available in a variety of flavors and sizes, it is always ready to satisfy any craving.

We are the brand that puts the most fruit in the pot. We have the purest acai on the market with super-selected fruit.
