

COFFEE

COMPANY

Fazenda Santa Bárbara is dedicated to producing Specialty Coffees, strictly adhering to the standards of quality for beverages required in the domestic and international markets. The entire coffee production process involves sustainability, social responsibility, conservation and of the environment. It is based in the "Cerrado Mineiro" where the terrain facilitates the production of beans bearing a unique identity.

Fazenda Santa Bárbara is UTZ and Rainforest Certified, and possesses a certification from the Minas Gerais Agricultural Department. The farm was granted a Denomination of Origin and is a proud member of the Coffee Federation of the Cerrado Mineiro Region and the BSCA (Brazilian Specialty Coffee Association).
