DISTILLERIE

ALCOHOLIC BEVERAGES

COMPANY

Founded in 1884, Distillerie Stock is a multinational company originating in Trieste, Italy, and has been in Brazil since 1934. For the past 80 years, STOCK has distinguished itself through the extraordinary quality of its products, the advanced technology it uses, and its unique sophistication.

It has consolidated its position as a benchmark in the beverage market, working with distilled and non-alcoholic beverages, such as natural fruit syrups. It has a team of 35 professionals, serving over 1,000 clients and a presence in more than 1 million points of sale in Brazil. It also has an international presence, with clients in several countries.

PRODUCTS

NCM 2208.40.00

With a complete line of alcoholic beverages that has always stood out for its extraordinary quality, high technology, and unique sophistication, the company has consolidated its image and leadership in the beverage market. Stock is a market leader with STOCK LIQUEURS, SEAGERS GIN and ST aperitif. REMY. Their product line also includes Vodka, Whisky, Bitter, Steinhaeger, ready-to-drink cocktails, etc. Stock also produces a non-alcoholic line of concentrated natural syrups called KALY, excellent for preparing alcoholic and non-alcoholic cocktails, for flavoring coffee, and for adding a special touch to cooking. Many products have received awards in international competitions. Our coffee liqueur even won the award for best coffee liqueur in the world.
