

COMPANY

Since 1945 in the world of coffee, the Jurerê Group's primary purpose is to deliver to consumers not just coffee, but memorable flavor experiences.

Prioritizing excellence in quality, the company is an active participant in the ABIC Quality and Sustainability programs, SISORG Organic Certification, USDA, CE and FSSC22000 Food Safety Certification.

In addition to serving the food and pharmaceutical segments with its renowned brands: Café Jurerê, Farroupilha and Pingo Preto, the company specializes in outsourced packaging, serving industries, coffee shops and distributors.

Café Jurerê - Specialty Coffees, Drip Coffee Bags

The Jurerê Group stands out as the leading reference in Private Label in Latin America, offering expertise in the production of traditional and specialty coffees since 1945. Our proposal includes complete solutions to develop your brand

in an authentic and exclusive way, delivering differentiated flavors that attract and retain consumers.

Leave the production, roasting, and grinding to us, while you focus on growing your business! We were pioneers in bringing Drip Coffee Bag technology to Brazil and currently produce for over 400 companies. We hold the worldwide patent for the Compostable Drip Coffee Bag, reinforcing our genuine commitment to sustainability. Also, we have a line of functional coffees, the HELP Line, composed of coffees with natural spices, ideal for the pharmaceutical channel.

We are... As the first company to package Drip Coffee Bags in the Americas, we own the... Worldwide patent for the Compostable Drip Coffee Bag, we have gathered more than 80 years of tradition, a focus on specialty coffees, and consolidated expertise in Private Label.

DETAILS ON PRODUCTION CAPACITY, SEASONALITY AND OTHER CHARACTERISTICS:

We have a monthly production capacity of 200 tons, we are FSSC 22000 certified and also hold the Organic Brazil certification, using exclusively raw materials acquired directly from approved producers.
