Mon Juli Special Teas transforms the noble buds of yerba mate into unique experiences of flavor, aroma, and well-being. Produced in Ilópolis, Rio Grande do Sul, its blends combine yerba mate, fruits, flowers, and carefully selected herbs, resulting in sophisticated infusions that unite tradition, innovation, and quality. The portfolio includes the Energy, Purity, Beauty, and Peace lines, in addition to the Classic and Premium collections, developed to provide different consumption experiences.

Among the brand's highlights is Black Mate, made from the noble buds of yerba mate and inspired by traditional Eastern tea processing techniques. The exclusive technology used in this process is protected by patents in more than 20 countries, highlighting Mon Juli's innovative and pioneering nature in the special beverage market.

The products are presented in biodegradable pyramid sachets, which allow the ingredients to expand during infusion, enhancing aromas and flavors. The packaging, illustrated with watercolors hand-painted by a Gaúcho artist, reinforces the brand's identity and values the culture of Rio Grande do Sul. In this way, Mon Juli combines sustainability, sophistication, art, and authenticity, bringing products to the market that excellently express the essence and pride of Gaúcho roots.

DETAILS ON PRODUCTION CAPACITY, SEASONALITY AND OTHER CHARACTERISTICS:
