

NATUCOA

COCOA AND CHOCOLATES

COMPANY

COOPESSBA was founded in 2008 and in 2019 Natucoa was born - "natu" from natural, "coa" from cocoa, cocoa in English

Natucoa Chocolate Sul Bahia is Coopessba's brand of fine chocolates. The Cooperative is formed by small and medium family agriculture producers that are located in the Atlantic Forest region of Ilhéus-BA, with the Cacau Cabruca production system, ensuring its traceability. Our cocoa is produced with environmental and social responsibility, and our chocolate uses natural ingredients, without milk and flavorings.

PRODUCTS

NCM 1806.32.10

The brand starts from the concept and idealization of nature, simplicity, healthiness, and sustainability. Besides a product free of chemical ingredients, Natucoa® is also committed to socio-environmental responsibility and to the economic regional development of family farming.

Today, Natucoa has 3 main lines of 80g bars, being:

Original line: intensities of 56, 70 and 80% cocoa, in addition to the 100% cocoa product, exceptionally with 140g (7 tablets of 20g)

Special Line: combination of chocolate with licuri and nibs;

Fruity Line: sweeter chocolates with notes of banana, cupuaçu, and jackfruit, created mainly for the children's audience.

DETAILS ON PRODUCTION CAPACITY, SEASONALITY AND OTHER CHARACTERISTICS:

We have a production capacity of 1 ton to 5 tons monthly.
