

FRUIT AND VEGETABLES

COMPANY

Founded in 2004, Coopexvale is an agricultural cooperative of fine table grapes, located in Petrolina, Pernambuco, Brazil. Composed of more than 40 producers from different generations, our cooperative is rooted in the essence of cooperativism and committed to producing high-quality grapes.

Currently, we cultivate 640 hectares, with a diversity of varieties to meet the most demanding markets. Our mission is to provide consumers with a fresh, nutritious, handcrafted, and flavorful product, using professional and sustainable farming practices. We also prioritize the standardization of our products, customer satisfaction, and loyalty at every stage of our production.

Coopexvale works with a carefully selected portfolio of table grapes, composed of varieties recognized internationally for their quality, flavor, and agronomic performance. Among them, BRS Vitória and ARRA Cherry Crush™ (ARD 36) stand out, known for their excellent balance between sweetness and acidity, as well as their attractive color and consistent production. Our production also includes the Sweet Celebration™ and ARRA 15 – ARRA Sweeties™ varieties, which stand out for their distinct sensory profile, crunchy texture, and high visual standard, meeting the demands of the most rigorous markets. Sugar Crisp™ (IFG Eleven) and Cotton Candy™ are recognized for their distinctive flavor and unique consumer experience, and are highly valued in the premium segment.

Complementing our portfolio, we work with Autumn Crisp® (Sugrathirtyfive), Timpson™, and Sweet Globe™, varieties that offer excellent crispness, large berries, and high productivity, combined with excellent post-harvest quality. This range of products reflects our commitment to innovation, diversification, and delivering products that meet the highest quality standards, ensuring competitiveness and added value for our customers.

DETAILS ON PRODUCTION CAPACITY, SEASONALITY AND OTHER CHARACTERISTICS:
