

# FRUITS AND VEGETABLES

## COMPANY

Founded in 2004, MBR's main activities are export, import, and distribution of food. MBR currently supplies large distributors and supermarket chains present in all continents.

We ship fruit by air and sea to many countries in the world such as Germany, Belgium, Portugal, Italy, Spain, France, England, Russia, United Arab Emirates, Saudi Arabia, and Canada in the 52 weeks of the year.

Besides coordinating all operational processes, MBR uses its relevant network of relationships around the globe and its commercial partners to seek new markets and expand its business.
