## COMPANY

Nestled in the Southern Region of Minas Gerais within the municipality of São Sebastião do Paraíso, the Tulha and Morro Alto farms have been growing their coffees for over 80 years, producing high-quality artisanal coffee that takes advantage of the unique soil, terrain, altitude and climate.

We are a family business spanning 3 generations of producers, employing traditional coffee growing in the production of our specialty coffee. We want to share our passion for fine artisanal coffee and bring this unique flavor to you.
