## COMPANY

Maria Soraia Guimarães is a great entrepreneur in the coffee industry, producing refined specialty coffees that conquer the palates of coffee lovers. For this reason, it is permanently highlighted in the segment's contests.

Maria Soraia is a producer in Serra do Salitre/MG and an example of the great strength of women in agribusiness, especially in coffee growing.

I started my coffee production in 2000 and in 2019 I entered specialty coffee production together with my son Augusto. Already this year I have had several awards.

## PRODUCTS

**NCM 0901.11.10**

Produced in micro-batches, its grains are carefully selected with high purity levels and without defects, naturally more aromatic, varying between fruity, chocolate, citrus, and nutty notes, among others. Using only the highest quality mature beans.

With a delicate and precise roasting, preserving the maximum sensorial characteristics and removing the humidity in the exact measure and at the right time, letting the ambient cooling finish the process in a delicate and natural way. A diversity of flavors and aromas for people who like to go beyond the experience of a great coffee and go deeper, challenging their knowledge to new experiences.
