

MONTEBELO

PECAN NUT

COMPANY

Founded in 2017, Monte Belo is a family-owned company focused on the production of healthy foods. The family tradition in agribusiness begins in the late nineteenth century, with the immigration of Vincenzo Basso from Italy to southern Brazil, where Vincenzo and his descendants work in agricultural enterprises in the South and, from the 70s, in the central west of the country.

Monte Belo is a company that grows pecan nuts with the purpose of promoting health through high quality, tasty and nutritious foods.
