## COMPANY

Degusto Brands is a beverage company founded in 2013 with the goal of sparking interest in special categories of distilled spirits, giving deserved prominence to ingredients and products with Brazilian essence.

With a variety of flavors, aromas, and stories, the brand invites the public to rediscover the pleasure of appreciating a good cachaça. After all, cachaça is not all the same; it's a universe of possibilities. Discover Quero Chuva: a true storm of flavor and attitude.
