## COMPANY

Headquartered in Flores da Cunha/RS, the largest wine producing town in Brazil, Panizzon, founded in 1960 by Ricardo Panizzon and his sons, is today one of the country's largest companies in the beverage sector.

Supported by a product mix with dozens of items, many of them market leaders in their segments, Panizzon has its recognition obtained in the form of awards won in the most famous national and international competitions of sparkling and fine wines. Its innovative posture, responsible for the introduction of new kinds of products in the national territory evidences the maturity of the company, which has 60 years in the market.

## PRODUCTS

Besides tradition and the family legacy, what drives Panizzon is the responsibility of constantly improving the knowledge acquired, training technicians, investing in technology, and new projects such as the planting of large areas of its own vineyards. The result of this tireless work are sparkling wines, fine wines, table wines, vinegars, juices, and hot drinks, all of them reference products in the market for their excellence in quality.
