

COMPANY

Founded as an artisanal family run business, **Mococa** has always focused its attention on carefully managing the raw ingredients used, ensuring that the tastiest and highest quality products are served on its customer's table.

Over a century later, the industry has modernized, grown, and captured the hearts of Brazilians while hoping to do the same throughout the rest of the world.

In 1990, **Mococa** entered the international market. Its 30 years of international export experience is reflected in its operational and technical processes, with strict Quality Control throughout the entire production chain to guarantee the very best products. There are 100 years of history in each product!
