

GRANCHELLI
CAFÉ PREMIUM

COFFEE

COMPANY

Conceived in 2012 in an effort to learn more about coffee roasting throughout the world and establishing a direct trade, **Granchelli Alimentação** is a producer and exporter of green coffee (Arabica), based in Garça - São Paulo, which has been growing many varieties of coffees since 1940.

Given the high demand for the product, which is already renowned in the European market for its high level of quality, the company has invested in the expansion and improvement of equipment and training employees. It currently has the capacity to process and standardize volumes that reach **10,000 tons per year**.

PRODUCTS

NCM 09.0111. 10

The sound production, harvest and grain drying processes (strictly monitored each day) are expressed in its drinkability, food security, plenty of sweetness (natural drought process), a dense body, discreet acidity, with notes of dark chocolate and dried fruits (almonds, hazelnuts and walnuts).

Packed in big bags (1000kg), jute bags (60kg) and paper bags (30kg).
Coffee can be shipped anywhere in the world using EXW, FOB, CIF.

Produced, standardized and exported by the producer. 100% traceable.

DETAILS ON PRODUCTION CAPACITY, SEASONALITY AND OTHER CHARACTERISTICS:

An agricultural production capacity of **2,000 bags per year** and a processing, standardization and export capacity of up to **8,000 tons per year**.
