Lago Verde

YERBA MATE

COMPANY

Celebrating 19 years of history! On October 5th, 2005, Indústria de Erva-Mate Lago Verde was born, on the banks of the ERS-332, in Linha Gramadinho, Ilópolis/RS, where the best herbs in Rio Grande do Sul thrive. Inspired by the beauty of Lago Verde, our brand represents the strength and tradition of yerba mate, spreading its authentic flavor in homes all over Brazil.

Our history is made up of the tireless efforts of farmers and producers who, with love and dedication, cultivate each yerba mate leaf.

Our mission is clear: to offer you an extremely high-quality product that conveys warmth and well-being. With values such as social responsibility, honesty, reliability and integrity, we are ready for many more years of achievement and growth.

PRODUCTS

Lago Verde operates in the processing of yerba mate: drying, storage, milling and packaging, with distribution in the Rio Grande do Sul and Brazilian markets.

To produce the best yerba mate, Lago Verde looks for raw materials from selected herbs, always offering more flavor, health and quality. To this end, it works with modern facilities, within the parameters required by the supervisory bodies.
